

Phase 6: User Interface Development

1. Lightning App Builder

- Go to Setup → App Manager → New Lightning App.
- Name the app **CareerBridge**.
- Add navigation items: **Home, Youth, Jobs, Interviews, Reports, Dashboards**.
- Assign to profiles and **Finish**.

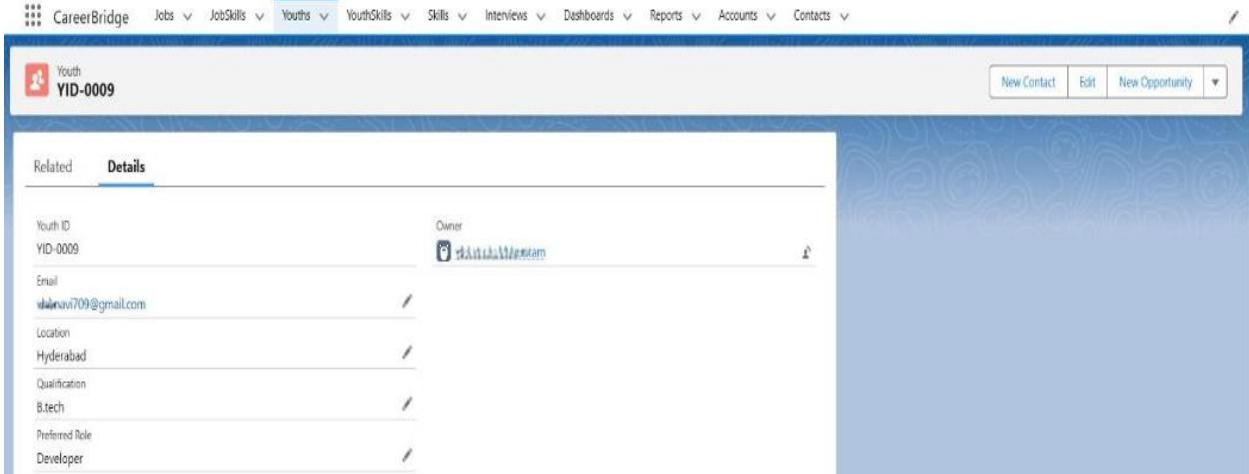

2. Record Pages

The screenshot shows the 'Navigation Items' configuration page. On the left, there's a sidebar with 'App Settings' (App Details & Branding, App Options, Utility Items (Desktop Only)), 'Navigation Items' (selected), and 'User Profiles'. The main area has two sections: 'Available Items' (listing various objects like Activation Targets, Activations, All Sites, etc.) and 'Selected Items' (listing the items chosen for the app, such as Jobs, JobSkills, Youths, YouthSkills, Skills, Interviews, Dashboards, Reports, Accounts, and Contacts). Navigation arrows between the lists allow users to move items between them.

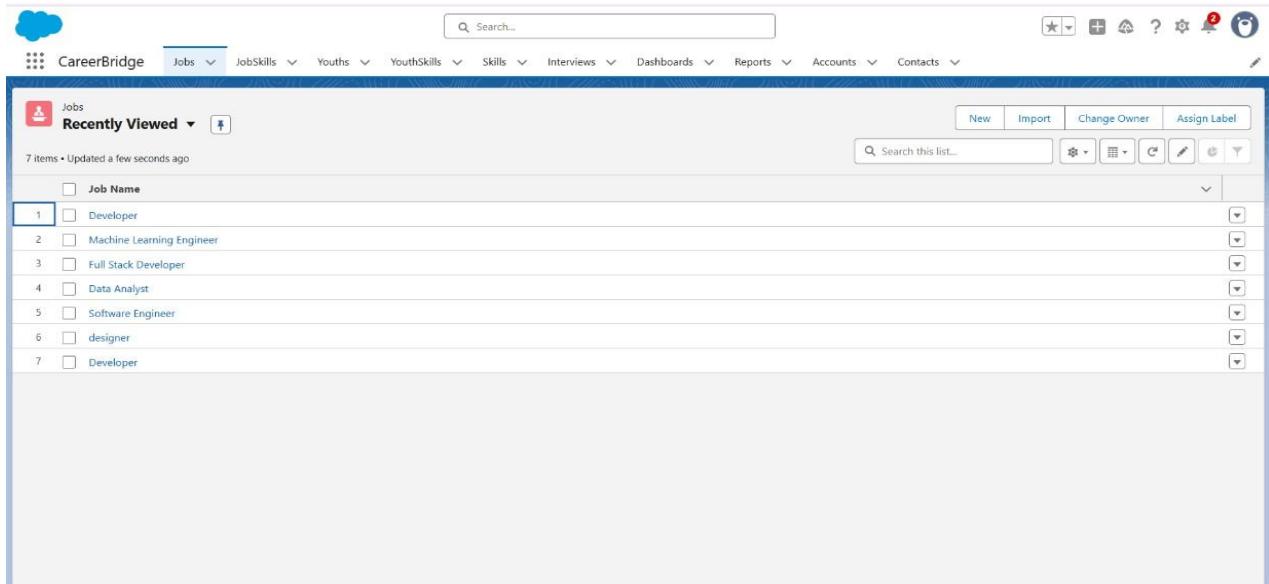

- Custom layouts for specific object records (**Youth, Job, Interview, Skill**).
- You can decide what **fields, related lists, and components** appear.

CareerBridge Example:

The screenshot shows the 'Youth' record page in the CareerBridge system. At the top, there's a navigation bar with links for 'CareerBridge', 'Jobs', 'JobSkills', 'Youths', 'YouthSkills', 'Skills', 'Interviews', 'Dashboards', 'Reports', 'Accounts', and 'Contacts'. Below the navigation is a header bar with a user icon, 'Youth YID-0009', and buttons for 'New Contact', 'Edit', and 'New Opportunity'. The main content area has tabs for 'Related' and 'Details'. Under 'Details', there are fields for 'Youth ID' (YID-0009), 'Email' (shrawan709@gmail.com), 'Location' (Hyderabad), 'Qualification' (B.tech), and 'Preferred Role' (Developer). An 'Owner' field shows a user icon and the name 'Shrawan William'. A large blue sidebar on the right contains a decorative pattern.

Youth Record Page: Show youth details, skills, and recommended jobs.

The screenshot shows the 'Jobs' record page in the CareerBridge system. The top navigation bar includes 'Jobs', 'JobSkills', 'Youths', 'YouthSkills', 'Skills', 'Interviews', 'Dashboards', 'Reports', 'Accounts', and 'Contacts'. The main content area is titled 'Recently Viewed' with a dropdown arrow and a refresh icon. It displays a list of 7 items, all updated a few seconds ago. The list includes: 1. Developer, 2. Machine Learning Engineer, 3. Full Stack Developer, 4. Data Analyst, 5. Software Engineer, 6. designer, and 7. Developer. Each item has a checkbox next to it and a dropdown arrow to its right. To the right of the list is a toolbar with buttons for 'New', 'Import', 'Change Owner', and 'Assign Label'. There are also search and filter icons at the top right.

- Job Record Page:** Show job details, required skills, and linked interviews.

The screenshot shows the CareerBridge application interface. At the top, there is a navigation bar with links for Jobs, JobSkills, Youths, YouthSkills, Skills, Interviews, Dashboards, Reports, Accounts, and Contacts. Below the navigation bar, a modal window titled 'Recently Viewed' is open under the 'Jobs' tab. The list contains 7 items, all labeled 'Developer'. The first item is highlighted with a blue border. To the right of the list are buttons for 'New', 'Import', 'Change Owner', and 'Assign Label'. A search bar at the top right says 'Search this list...'. The bottom right of the modal has icons for filter, sort, and edit.

- **Interview Record Page:** Show candidate, job, date, and status.

3. Tabs

- Setup → App Manager → Edit CareerBridge → Navigation Items.
- Add or reorder tabs (**YouthSkill**, **Youth**, **Jobs**, **Interviews**, **JobsSkill**, **Skill**).
- Save.

The screenshot shows the Salesforce Setup 'Tabs' page. The top navigation bar includes 'SETUP' and 'Tabs'. Below the navigation, a section titled 'Custom Tabs' is displayed. It includes a 'Help for this Page' link and a note: 'You can create new custom tabs to extend Salesforce functionality or to build new application functionality.' A sub-header 'Custom Object Tabs' is shown with a 'New' button and a 'What Is This?' link. A table lists six custom object tabs: Interviews (Presenter style), Jobs (Presenter style), JobSkills (Rank style), Skills (Laptop style), Youths (People style), and YouthSkills (Books style). Each row has 'Edit | Del' buttons. Below this is a 'Web Tabs' section with a note: 'No Web Tabs have been defined.' At the bottom is a 'Visualforce Tabs' section with a 'New' button and a 'What Is This?' link.

4. Home Page Layouts

- The home page can be customized for different profiles (e.g., Youth, Admin).
- Provides dashboards, tasks, and quick actions.
- **CareerBridge Example:**
 - For Youth: Show registered jobs, upcoming interviews, and assigned skills.

- For Admin: Display KPIs like total youth registered, jobs posted, and interviews scheduled.

The screenshot shows the 'CareerBridge' software interface. At the top, there is a navigation bar with links: Jobs, JobSkills, Youths, YouthSkills, Skills, Interviews, Dashboards, Reports, Accounts, and Contacts. Below the navigation bar is a header with a user icon, the text 'Recently Viewed ▾', and buttons for New, Import, Change Owner, and Assign Label. A search bar with the placeholder 'Search this list...' is also present. The main content area displays a list titled 'Recently Viewed' with 7 items, updated a few seconds ago. The list includes:

Rank	Job Name	Action Buttons
1	Developer	[dropdown]
2	Machine Learning Engineer	[dropdown]
3	Full Stack Developer	[dropdown]
4	Data Analyst	[dropdown]
5	Software Engineer	[dropdown]
6	designer	[dropdown]
7	Developer	[dropdown]
